In loving Memory

Tommy Dretzka

Tommy D #208

“ Ride hard, Ride smart” Was saying that 54 year old Thomas Dretzka lived by. Racing was passion and purpose in life. After 35 years of racing, he had planned one more year of racing and then retire: buy his own race track and teach others the art of racing. His dream was to have a place where young and old could practice and have fun. Tommy D’s dream was cut short. The ironman died in a snowmobile accident on January 11, 2014. In loving memory of tommy D. Tanya Coe reopened FMX paradise to make his life-long dream come true. Tommy D. would be so proud of his accomplishment, if only he could see it. Blood, sweat, tears and money have been poured into FMX paradise motocross to make it what it is today. A place where amateurs and professionals can come together to share their love of riding.
